## Case 1:25-cv-00943 Document 4 Filed 03/31/25 Page 2 of 4

Pursuant to Local Civil Rule 65.1(d), Plaintiffs request that this motion be heard on an expedited basis so that Plaintiffs' irreparable harm may be averted before the April 11, 2025 effective date of the IFR, and addressed as quickly as possible.

Plaintiffs meet the test for issuance of preliminary relief. This case challenges Defendants' rushed and arbitrary implementation of a universal noncitizen registration scheme that would require millions of noncitizens to register with the government and carry their papers at all times, on pain of federal criminal prosecution and incarceration. Defendants impose this scheme through an IFR without prior notice and consideration of public comment, in violation of the Administrative Procedure Act ("APA"). Defendants seek to enforce the IFR just thirty days after its issuance, on April 11, 2025.

As explained in the accompanying Memorandum of Points and Authorities, Plaintiffs are likely to succeed on the merits of Counts I and II. Defendants improperly invoke an exception to the APA's requirement of notice and opportunity for public comment. The IFR is also arbitrary and capricious on a number of grounds given Defendants' failure to consider multiple important aspects of the problem. Plaintiffs and their members would suffer irreparable harm if the IFR takes effect and the balance of equities favors the Plaintiffs.

Plaintiffs' counsel is not yet aware of who Defendants' counsel in this action will be, and have thus been unable to meet and confer regarding this motion. *See* Local Civ. R. 7(m). Plaintiffs are in the process of serving this motion consistent with the Federal Rules of Civil Procedure. Once counsel is identified, Plaintiffs' counsel is prepared to meet and confer with counsel for Defendants, if the Court so directs, to attempt to agree on a briefing schedule. Plaintiffs support this application with the Complaint (ECF 1), the Memorandum of

Points and Authorities filed concurrently with this Motion, and the accompanying Declarations

of Angelica Salas, Elizabeth Strater, George Escobar, and Sienna Fontaine.
